To Whom It May Concern:
With reference to A Class Photographics – Morphett Vale

We have been using A Class Photographics for the last few years and would have no hesitation whatsoever in recommending their services. They are always prompt and efficient, cause as little disruption to the school day as possible. In fact the results they achieve in the time they are here are amazing.

They are also prepared to go that extra distance to give a fantastic and supportive service. Last year they videoed and photographed our End of year Concert, free of charge and have offered to do the same this year, dates permitting.

The quality of their product is excellent and we have never had any returns from parents due to dissatisfaction with the product.

Kind regards,

Alec Tibbitts
